Automotive Mechanic

PROSPECTUS

Changing Lives Through Engineering

Automotive Mechanic qualification purpose

The Occupational Certificate in Automotive Mechanic qualification is designed to provide learners with skills needed in the automotive industry, such as the maintenance and repair of vehicles to enable customers to use their vehicles productively, cost-effectively, and safely, and to obtain the maximum benefit from their investment as well as complying with legal obligations relating to the condition and use of their vehicles.

Foundational Learning Competence

Min GR.9 and older than 16 years. Subjects required with a minimum E symbol
Mathematics
Engineering Science
Engineering Drawings
Petrol / Diesel Trade Theory

Trade Test Requirements

- Learners must provide proof of completion of all required modules by means of statements of results and work experience including Foundational Learning Competence or equivalent.
- 18 months work experience

Qualification outcomes:

- Perform preventative and scheduled maintenance on petrol and diesel road vehicles.
- Dismantle, inspect, assess, repair, and assemble engine and vehicle system components.
- Diagnose and repair faults in petrol and diesel engine and vehicle systems and their components.

Career guidance assessment:

We recommend our Career Path Assessment prior to enrolling to ensure that you have chosen the trade and career that suits you.

Knowledge & Practical component duration:

Phase and duration of each phase to completed at one of ATI's Campuses.

- Phase 1 – 12 Weeks
- Phase 2 – 12 Weeks
- Phase 3 – 8 Weeks
- Phase 4 – 4 Weeks (Revision and Trade Test)

Cost:

Quotation available on request

Accommodation:

Please enquire about availability

E-Learning:

As an enrolled learner, you will have access to all your learning material online which you can access via a login to our E-Learning system

The lecture modules will include video lectures, presented by our highly skilled instructors and assessments to test your knowledge.

Your training content will be available to you for as long as you wish to have access; an invaluable tool to use to revisit your course material or to have access to updated course modules and video lectures.
